ANNOUNCEMENTS:

New church keys: For the sake of our security the church has re-keyed the doors. Our Moderator, Connie Moyer, has the new keys to distribute.

Church Security System: As most of you know, we had a major break in this past spring resulting in \$24,000 of damage to the church. Both the police and our insurance carrier expressed extreme surprise at the lack of security coverage. They strongly recommended that we install a security system to protect our building, our congregation and others. If you have any comments or wish for additional details, talk with Tad Brown, Connie Moyer, or Steve Hess.

Galen Hackman will be bringing the messages on Sunday, September 20 and 27.
